

OUTSOURCING

TAX & ESCROW

Integrated support for dynamic data needs

OSC offers a range of tax and insurance escrow services that integrate with our proprietary IrisX (Informed RISK eXchange) tracking system. These services can be tailored to provide our clients with a comprehensive, timely compliant financial risk management solution. By fully or partially outsourcing these services to OSC, you can streamline processes and save valuable time and money.

Benefits

- Integrated single source solution
- Payments paid accurately and on-time
- Reduced risk of tax sale loss
- Elimination of penalty and interest
- Low processing costs
- Transfer liability to us for late or missed payments
- Control the process-payment notifications and approvals
- HMPL mandatory escrow
