Notice of Surplus Lines Placement

I, the undersigned insurance applicant, hereby affirm that, prior to placement of the below-referenced insurance coverage with a surplus lines insurer I have been advised of the following:

1. An insurer that is not licensed in the State of Wyoming is issuing the insurance policy that you have applied to purchase. These companies are called "nonadmitted" or "surplus lines" insurers.
2. The insurer is not subject to the financial solvency regulation and enforcement that applies to licensed insurers in this state.
3. These insurers do not participate in the insurance guaranty funds created by Wyoming law. These guaranty funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.
4. The policy forms, conditions, premiums and deductibles used by surplus lines insurers may be different from those found in policies issued by licensed insurance companies.
5. For additional information about the above matters and about the insurer, you should ask questions of your insurance producer or surplus lines broker. You may also contact the Wyoming Insurance Department.
